**RE: Docket Number 582-22-0844.TCEQ; Texas Commission on
Environmental Quality No. 2021-1000-MSW; *Application by Diamond
Back Recycling and Sanitary Landfill, LP for MSW Permit No. 2404***

Dear Parties:

I issued a Supplemental Proposal for Decision on Remand in this matter on June 16, 2023. Protestants Knox Real Property Development, LLC and Jason Harrington (Protestants) timely filed exceptions, and the Executive Director and Diamond Back Recycling and Sanitary Landfill, LP (Applicant) filed letters of support. The Applicant filed a reply.

Although the Protestants made many arguments in their exceptions, these matters were already considered and rejected. The ALJ declines to amend the Supplemental Proposal for Decision on Remand. It is ready for consideration, and I recommend its adoption as written.
